Re: Arkansas Judicial Retirement System (AJRS) Investment for Review under Act 1211 of 2009

Senator Gilmore and Representative Eaves:

In accordance with Act 1211 of 2009, AJRS is providing an investment summary for the Arkansas Legislative Council to review. Attached to this letter is the executive summary which details AJRS' investment in a fund of one.

To comply with Act 937 of 2025, Divest from China, the AJRS Board of Trustees voted to retain Blackrock, Inc. to manage an International Equity ACWI Index portfolio that will be divested from both China and Hong Kong. It will be structured as a fund of one. This will be a passive strategy, "beta". The investment manager was vetted and recommended by the AJRS investment consultant, in consultation with the investment staff. AJRS will transition its current passive strategy to the new strategy.

Please do not hesitate to contact me directly if you require additional information or have further questions.

Sincerely,
