**CONFIDENTIAL
MEMO**

TO: Governor Sarah Huckabee Sanders
FROM: AEDC, Division of Rural Services
RE: Arkansas Rural Services Block Grant Program; Arkansas Game and Fish Wildlife Education Grant Program
DATE: December 9, 2025

PURPOSE:

To present funding recommendations from AEDC Rural Services for the Arkansas Rural Services Block Grant and Arkansas Game and Fish Wildlife Grant Programs.

BACKGROUND:

Each fiscal year, AEDC Rural Services receives legislative appropriation to award funds from the above-named grant programs.

Applications received by AEDC Rural Services go through the following process:

1. Reviewed for eligibility by Rural Services staff;
2. Eligible applications and rankings are then reviewed by the Rural Development Commission;
3. Recommendations are forwarded to the Secretary of Commerce and Governor
4. Recommendations are forwarded to Legislative Council for final approval.

GRANT PROGRAMS:

- **Rural Services Block Grant Program** – Funding is available to incorporated towns and rural communities with a population of less than 3,000. Additionally, the community population must be at least 51% Low to Moderate income. Eligible projects include: new construction or renovation of community centers, fire stations, or multi-purpose buildings, and the purchase of fire trucks (pumper, tanker, brush or certain service trucks). This grant is made possible through a partnership with the Arkansas Economic Development Commission Grants Division. This cap for the grant program is \$100,000 and requires a 10% match.
- **Arkansas Game and Fish Wildlife Conservation Education Grant Program** - There are no population limits associated with this program. This grant program is funded through fines collected from hunting and fishing violations. The funding is county specific, meaning that only fines collected in a county may be used to fund conservation education in that county. As an example, fines collected in Monroe County may not be used to fund conservation education programs in Prairie County. The cap on this program varies by county and year and the program requires no match.
