Contract Summary		The Arkansas Department of Human Services, Office of Substance Abuse and Mental Health (OSAHM) has awarded funding to UA Little Rock - MidSOUTH through the Substance Use Prevention, Treatment, and Recovery Services (SUPTRS) Block Grant administered by the Substance Abuse and Mental Health Services Administration (SAMHSA), which provides federal funding that allows for funding of projects related to the training and development of the Peer Recovery Workforce. These activities are delivered by a statewide infrastructure of training and technical assistance that allows the peer workforce to be developed for the state of Arkansas and address the opioid crisis at the local community level through evidence-based strategies, capacity building, collaboration, and adherence to grant requirements. One of the contract deliverables is to partner with Faces & Voices of Recovery to complete a program evaluation of the Recovery Community Organization (RCO) structure and provide Specialized Organizational Development Technical Assistance (SODTA) for the RCOs.						
Purpose for Amendment		To extend the expiration date to continue program evaluation of the Recovery Community Organization (RCO) structure and provide Specialized Organizational Development Technical Assistance (SODTA) for the RCOs. This is year two of a possible two year Exempt by Law contract.						
Reason for Amendment		No material change

0145		University of Arkansas at Little Rock					
Contract Summary		State Opioid Response (SOR) IV grant provides federal funding to help Arkansas address the opioid & stimulant crisis. Administered by the Substance Abuse & Mental Health Services Administration, SOR IV focuses on helping states by expanding access to prevention, treatment, & recovery support services for individuals affected by opioid & stimulant use disorders. The AR Dept. of Human Services, Office of Substance Abuse & Mental Health (OSAHM) has awarded MidSOUTH the SOR IV Treatment contract to address the opioid crisis at the local community level through evidence-based strategies, capacity building, collaboration, & adherence to grant requirements. The funding aims to reduce overdose deaths, improve treatment outcomes, & build a sustainable infrastructure for long-term recovery efforts across the state. One of the contract deliverables is to partner with OSHAM's established contract provider, End Overdose, to continue efforts to provide opioid overdose response resources to be distributed in AR and develop a Sexually Transmitted Infection (STI) Toolkit, in collaboration with the AR Dept. of Health and STI Taskforce for Substance Use Disorder Treatment.					
Purpose for Amendment		To extend the Expiration date to continue efforts to provide opioid overdose response resources to be distributed in AR and develop a Sexually Transmitted Infection (STI) Toolkit, in collaboration with the AR Dept. of Health and STI Taskforce for Substance Use Disorder Treatment. This is year two of a possible seven-year (through 9/29/2032) Sole Source by Justification contract.					
Reason for Amendment		No material change
